HEAR-TOUCH-SMELL-SEE

Use your senses! Explore nature in a new way by using your sense of touch, sight, hearing, and smell! Find as many of the following as possible:

Hear:

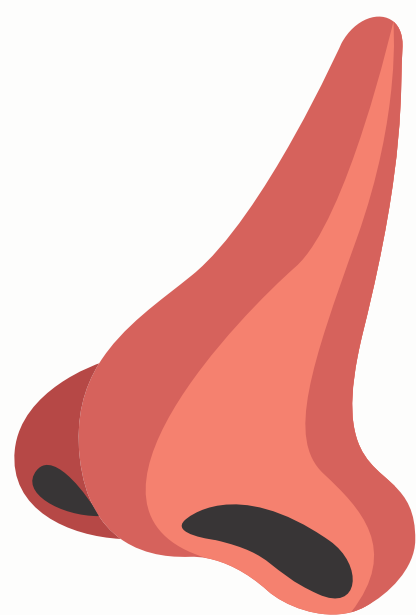

- water
- birds chirping
- wind in the trees

Touch:

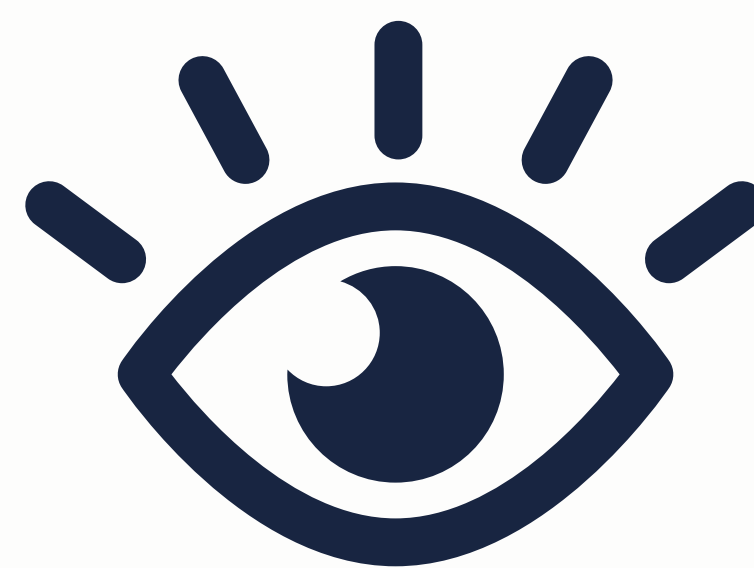

- water
- tree bark
- moss on a rock

Smell:

- dirt
- pine needles
- fresh air

See:

- trail
- flowers
- an animal
